Ringgold, PA (November 11, 2011) 24 year old Fastrak Crate Late Model stand out Joe Martin of Ringgold, PA closed out his third year behind the wheel of his JM2 Motorsports, Specialty Rental Tools & Supply, Martin Farms, Juart Exploration Inc., Allegheny Crane Rental, Juart Bros. Martin spent a majority of the 2011 season following the Fastrak Northeast Tour for 17 of the 19 total scheduled events. If Joe wasn't on the road with the tour, he spent most of his weekends at Sharon Speedway in Hartford, OH or Dog Hollow Speedway in Strongstown, PA. Despite missing two Fastrak Northeast tour events, Martin was able to place sixth in points while picking up one win with the series at Dog Hollow Speedway on July 26.

Overall, Joe started 39 events in 2011, including the 17 Fastrak Northeast events, and captured 28 total top ten finishes to go with his 19 top five's and six wins. Martin's six wins came at three different facilities including Sharon Speedway (3 wins), Dog Hollow Speedway (2 wins) and Tri-City Speedway in Franklin, PA. Joe now has 11 feature wins in just three full seasons.

'We're extremely pleased with how the 2011 season played out,' Joe said. 'We set a lot of goals for this past season but our main objective was to continue to improve from the year before. We were a lot more consistent this year and won a couple more races than we have in the past. So all-in-all, we are certainly happy with our season but we're not where we want to be. There are still championships and a lot of other things that we want to accomplish.' Martin continued, 'we're still a pretty young team so to be where we are and to have had the little bit of success we've had is exciting and has us looking forward to the 2012 season.'
